August 4-7	WA-ACTE Summer Conference – Spokane, WA
August 14-17	SkillsUSA State Director’s Conference – Virginia

Greetings from your State Director!

Dear SkillsUSA Advisor:

We continue growing and receiving awards for our membership and new chapters! We received a Gold, State Standards of Excellence Award for our governing and fiscal practices. Thanks for your role in making all that happen! SkillsUSA has received a sponsorship contribution from BOEING for our state conference. With all our growth we need assistance mentoring new SkillsUSA advisors. Please let myself or your regional coordinator know we can contact you to support new SkillsUSA Advisors and their chapters. Some other areas we are looking for help are:

- New State officer trainer needed
- New Leadership Contest Coordinator for state conference
- Organize workshops at the state leadership conference
- Coordinate the state community service project with our state officer team – it’s a blood drive this year
- Transportation Coordinator for the state leadership conference
- Develop a list of fun and affordable activities for students and advisors while they are in Yakima for SLSC
- Design our SLSC program (not including the cover)

Terri Lufkin

Sentinel; Nathan McGarrah, Davis HS-Sergeant at Arms; Nansi Valenzuela, Woodland HS-Reporter; Cas Haddad, Vancouver School of Arts and Academics-Secretary.

Membership Dues & Registration

SkillsUSA Washington membership registration will be completed through the SkillsUSA website. To join SkillsUSA, go to: www.skillsusa.org/join or www.skillsusa-registger.org if you have previously been a member. **Please provide accurate, up to date email to receive membership incentives.** When you register you receive an email with the code to enter into the database to access Technical Standards (available 10/1), Jump in STEMP and Career Essentials Foundations. Career Essentials can help ensure students are being prepared for workplace success. Career Essentials supports the framework of the SkillsUSA mission, which includes personal, workplace and technical skills grounded in academics – all essential to a successful, student-oriented career and technical education program. This curriculum includes lesson plans and is based on Common Core State Standards and infuses 21st-century skills into student activities.

Students must be registered members (prior to competition) in order to compete at regional, state or national competitions. Students must also be registered members to run for state or national offices.

Submit membership rosters early. New or additional students can be submitted as they enter the program or decide to join. **State deadlines are prior to participating in your region's leadership and/or technical contest and no later than February 1. National Deadline to compete in National competition is March 1. All dues (state & national) are to be paid to SkillsUSA (in Virginia). State dues are sent to the state by National SkillsUSA.**

Dues are as follows:

Students: \$16.00 (\$8 State & \$8 National)

Advisors/Professionals (Instructors, School Administrators & Advisory Committee Members): \$28.00 (\$8 State & \$20 National). NOW INCLUDES TECHNICAL STANDARDS

Alumni: No charge

Note: Some regions have additional fees or competition participation fees!

Contact National SkillsUSA for assistance with membership/dues registration and payments. Hotline Operators will support advisors and assist new schools. They work with advisors to help get started implementing SkillsUSA programs. Their email is: Operators@skillsusa.org and phone number is: 1-844-875-4557. For general membership questions and website technical support contact membership@skillsusa.org. Membership questions can be answered by calling the Membership Hot Line at: 800-355-8422. Tuesday's and Thursday's they are open until 7pm.

Advisor's Incentive: Register 1 professional member and 15 student members by November 15th and you will receive additional SkillsUSA materials.

Chapter Excellence Program (CEP)

The Chapter Excellence Program (CEP) honors chapter achievement relative to SkillsUSA's framework of developing personal, workplace and technical skills. The framework actualizes SkillsUSA's mission "to empower members to become world-class workers, leaders and responsible American citizens." It also serves as the blueprint for career readiness – our ultimate goal as an organization. By centering on industry demands, the framework builds the foundation for relevant and intentional student learning and employability skill development. Application can be submitted by Chapter or by section. Your section or chapter can be recognized at State Conference as a Quality Chapter for achieving essential standards at the First Level. Second Level achievement is also recognized at the State Conference as Bronze, Silver or Gold

Chapters of Distinction. Up to 10% of the Gold Chapter will be eligible for selection as a Model of Excellence Chapter and recognition at the National Conference by completing the Third Level. Training 11-2-2018

Lowe's Sponsors \$2,000 Grant to Recognize Chapter Excellence @ NLSC (pending sponsorship)

The program consists of 4 award levels. The first three levels are recognized by the state and the final level eligible for national recognition. The 25 chapters selected as models of excellence will receive a \$2,000 section or chapter grant to help offset expenses for SkillsUSA National Leadership and Skills Conference. Complete your CEP application online at: www.skillsusa-register.org/Login.aspx. If you have questions, contact Gayle Silvey at gsilvey@skillsusa.org or 404-216-6040.

Career Readiness Curriculum (CRC) now Career Essential Foundations

Each Professional SkillsUSA Instructor will receive the Career Essential Foundations curriculum. You will get a PIN # when you become a member so join early. This practical and flexible standards-based curriculum seamlessly integrates framework components into classroom instruction. It offers user-friendly lessons that incorporate employability skills, engaging activities and proven teaching methods for effective learning. This material is presented in a format that makes your job easier. Career Essential Foundations was written to merge the SkillsUSA Framework with what you're already doing. It presents career readiness curriculum in line with Common Core standards, and is based on information from the US Dept. of Education, US Dept. of Labor, Partnership for 21st Century Skills and the SCANS skills.

SkillsUSA Washington Contests - 2018-2019

Listed below are the contests offered at the National Level. State and Regional contests will differ depending on interest and contest management at those levels. Contests listed in "Red" below denote that this contest had no participants in the 2018 State Championships. All contests are conducted in accordance with the National Skills Technical Standards. These standards should be reviewed prior to students competing in regional, state and national contests.

Related Technical Math

Note: Regarding State Level Contests, individuals may participate in more than one contest. A student may compete in up to three contests. (1) Technical Science Contest and either (2) Leadership Development Contests or (2) Occupationally Related Contests. If not participating in a Skill Contest, individuals may participate in a combination of 3 leadership and occupationally related contests. Individuals may participate in only one Technical Contest, this includes a locally hosted, state sanctioned technical contest.

At the Regional Level, consult your regional coordinator.

At the National Level, students are limited to only one contest in any of the above categories.

Resources

Be sure to investigate all that SkillsUSA has to offer through the national website at: www.skillsusa.org and the **Washington State website at: www.skillsusawashington.org**. There is a large amount of helpful information available to start and manage a chapter, plan for leadership and skills conferences and contests, and prepare students through exciting events and activities. The information is there, tap into it. You do not have to reinvent the wheel, simply use the one provided. If you need chapter management assistance, simply contact the regional coordinator, state director or state officer.

SkillsUSA Scholarships

SCOAR and STEM Scholarships due April 15.

National Technical Honor Society Scholarships for SkillsUSA Members April 1 Deadline

The NTHS annually awards a \$1,000 scholarships to two high-school SkillsUSA members and two college/postsecondary Skills USA members who are also involved in NTHS. For details go to:

<http://skillsusa.org/membership-resources/scholarships-financial-aid/national-technical-honor-society/>

Robert Flint Student Leadership Development Scholarship

SkillsUSA state officer with financial needs may be eligible for a Student Leadership Development Scholarship to attend Activate and Leverage conferences in June. Four scholarships at \$1,300 will be awarded. Nominations can only be made by a state association director. Applications are due May 6, 2019. For details, contact Terri Lufkin.

mikeroweWORKS Foundation Competitor Scholarship May 15, 2019 deadline

This scholarship is to provide support for SkillsUSA State contest winners who have insufficient personal, chapter, school or community resources to participate at the Nationals SkillsUSA Championships. \$1000.

<http://skillsusa.org/membership-resources/scholarships-financial-aid/the-mikeroweworks-foundation-competitor-scholarship/>

Sharon Melton Myers Memorial Scholarship April 15th Deadline

Through a donation from the Sharon Melton Myers Memorial Fund, SkillsUSA and the McMinn County Vocational Center SkillsUSA Alumni Association are offering a \$500 scholarship to a SkillsUSA member for continuing education in college or technical school. Visit: <https://skillsusa.wufoo.com/forms/sharon-melton-myers-memorial-scholarship/>

SkillsUSA Championships

The following scholarships are offered through the SkillsUSA national office to winners of SkillsUSA Championships. Most scholarships are awarded to first, second and third place medal winners. In most cases, these scholarships are applied directly to tuition and education expenses. Medalists also receive tools of the trade, software and other awards. For complete details, go to:

www.skillsusa.org/students/scholarships.shtml

Lowe's Schools In Need & Career Safe Grants

Vouchers allow students to take online assessment and earn OSHA 10 hours Construction or General Industry Safety Credential.

Image Contest

SkillsUSA Champions magazine features our members' photography. We're looking for images of SkillsUSA Chapters in action, or the kind that show individual members' concentration or perseverance. The photographer's chapter will be awarded \$150 for a winning entry. For additional information, email Tom Hall, thall@skillsusa.org or write: SkillsUSA Champions, 14001 SkillsUSA Way, Leesburg, VA 20176

2018-2019 National SkillsUSA Theme

The SkillsUSA competition theme for the 2018-19 year is: **SkillsUSA: Champions at Work: Career Ready Starts Here**

The topic to be addressed by contestants in the Chapter Display, Prepared Speech and Promotional Bulletin Board competitions is how our theme, SkillsUSA: Champions at Work, Career Ready Starts Here is integrated into student's professional development.

Within this topic, contestants might illustrate or discuss any of the following:

1. How is SkillsUSA an integral part of your career and technical education program so that it ensures you are Career Ready for America's skilled workforce?
2. How has your involvement in SkillsUSA made you a more sought-after employee than your peers who aren't members?
3. If a potential employer asked you which specific skills gained from SkillsUSA have made you better prepared for America's workforce, what would you say?
4. If asked to create a member recruitment campaign around the fact that SkillsUSA is preparing America's skilled workforce, what would be your key points?
5. Why is the SkillsUSA Framework of developing personal, workplace and technical skills central to the concept of preparing America's skilled workforce?
6. Why is ensuring that the United States has a skilled workforce important for the global economy?
7. What are the ramifications if the United States does not have a skilled workforce?
8. In the next 10 years, what skills are needed to fill the job-market skills gap, and how do SkillsUSA members ensure they are prepared through their SkillsUSA involvement?
9. How has your involvement in SkillsUSA ensured that you will be prepared to enter America's skilled workforce?
10. What elements of SkillsUSA ensure that members are prepared to enter America's skilled workforce?
11. What specific skill development is helping you fulfill the mission of SkillsUSA: to empower its members to become world-class workers, leaders and responsible American citizens?
12. Which SkillsUSA programs ensure that members are developing the *personal* skills needed to be prepared when entering the workforce? Program examples may include those that improve the following: integrity, self-motivation, work ethic, professionalism and responsibility.
13. Which SkillsUSA programs ensure that members are developing the *workplace* skills needed to be prepared when entering the workforce? Program examples may include those that improve the following skills: communication, decision making, teamwork, cultural sensitivity and leadership.
14. Which SkillsUSA programs ensure that members are developing the *technical* skills needed to be prepared when entering the workforce? Program examples may include those that improve the following skills: technical literacy, job-specific tasks, service to the community, ongoing professional development and an awareness of safety and health issues.

State Conference Design Contest

SPECIFICATIONS - All entries must comply with the following specifications or will be disqualified:

- The design should be something that reflects Washington State.
- The design should include the text "SkillsUSA Washington" and the "year"
- Do not make SkillsUSA two words or separate SkillsUSA by a hyphen or any other means.
- The whole SkillsUSA Emblem cannot be used in the design.
- The design (not including a solid background) may include up to 4 distinct colors, not blended.
- A finished pin will be no larger than 1.5" x 1.5". Please take into consideration the reduction and size. Very small or intricate detail in your design might not be seen in the finished product.

- An ideal t-shirt design will be no larger than 8 ½" x 11" and the state program will be 5 ½" x 8".
- For the T-shirt, the art will be adjusted to fit the front of the shirt, and industry logos may be added to shirt.
- Design team will consider artistic elements of balance, originality, and contrast.
- It is okay to use clip art but no trademark or copywrite designs.
- All entries must include the following: students name and email, advisors name, phone number & email, name of SkillsUSA chapter (on attached form).
- SkillsUSA retains the right to make modifications to the final design as necessary to produce a pin, program cover or T-shirt to our standards and to the manufacturer's specifications and abilities.
- Entries received after the deadline will not be considered. Entries must be received by the SkillsUSA Washington State Director on or before January 25, 2019. Please send entries to: tlufkin@comcast.net
