**CONFERENCE & CHAMPIONSHIPS REGISTRATION**

The event registration process will be similar to years past. All individuals competing and at least one advisor per school must be registered and members of SkillsUSA. Membership and Registration will be completed through SkillsUSA REGISTER (register.skillsusa.org)

Championships Contestant - $100
Championships Advisor - $100

Student (non-competing) and professional (advisors / teachers) members can attend the conference programming at no charge; however, these members must be registered for the event to be enrolled within the virtual delivery platforms.

Students may participate in 3 contests, only one may be technical.

SkillsUSA Washington State Leadership and Skills Conference

**Contest Delivery Format**

SkillsUSA Washington will offer 29 career competitions in eight career clusters this year. Delivery will look different than in year's past. Contests will be offered in two formats: Virtual Live and Contest Submission.

**Virtual Live**
Contestants will interact in real time with judges or a simulation facilitated using a video conferencing platform or a virtual environment.

Example: Job Interview
Contestants will be interviewed on Zoom. The interview will be recorded and judged.

**Contest Submission**
Contestants will compete while being recorded, supervised by a proctor. Completed contests will be submitted for remote judging.

Example: Carpentry
Contestants will complete the project, while being filmed and submit the completed project for judging.

**FOLLOW Safety and Health Guidelines & Ensure Integrity and Rigor**

SkillsUSA Washington is turning to local chapters to assist with offering this year’s State Championships. We appreciate your participation and understanding. SkillsUSA NLSC will be virtual as well.
