

PACIFIC NORTHWEST PIN DESIGN CONTEST (STATE ONLY CONTEST)

PURPOSE

To evaluate a competitor's creative, technical and skills and to recognize outstanding students for excellence and professionalism.

ELIGIBILITY

Open to active SkillsUSA members enrolled in career and technical programs. This competition is open to middle school, high-school and college/postsecondary competitors.

SCOPE OF THE COMPETITION

The competition consists of three components:

1. Competitors design and submission
2. Review by a pin design review team to insure adherence to the pin design requirements
3. All qualifying pin designs are then presented to the State Directors of Washington, Oregon and Idaho to vote for the winning design.

The top pin design will be turned into a Pin to be traded by SkillsUSA contestants at the National Leadership and Skills Conference.

KNOWLEDGE PERFORMANCE

There will be no skill-related written test

SKILL PERFORMANCE

The competition is designed to assess the competitor's ability to design and produce a Pin design concept for the Pacific Northwest. Pins will be provided to each of the Qualifying National Leadership and Skills Conference contestants from Washington, Oregon and Idaho.

COMPETITION GUIDELINES

1. All entries must be rendered in color (full color or two-color). Preferably, entries will be created in a design software package such as Illustrator, or Photoshop. However, competitors are permitted to use equivalent open-source software such as Inkscape, Gimp, etc. Licensed software such as the Corel suite, Affinity Designer, Affinity Photo, etc. is also acceptable. Entries may also be hand-drawn, painted or rendered in colored pencils or markers.
2. All entries should be submitted on a single 8.5"x11" page (digital or paper) with two sizes: 7" and 2". Both sizes must be identical. The larger 7" version is for judging of details. The smaller 2" version is to show what the design would look like as a pin.
3. The larger version must be 7" wide or 7" tall on its largest dimension for judging. The smaller version should be 2" wide or 2" tall on its largest dimension for judging.
4. Wording on the design should be readable, but especially at the 2" actual pin size.
5. The official SkillsUSA emblem or SkillsUSA logo (or elements of either) should not appear on the design. Original design elements representing the SkillsUSA emblem or SkillsUSA logo can be utilized.
6. Although an exact boundary of the Pacific Northwest is up to debate, the most common conception includes the U.S. states of Oregon, Washington, Idaho. The design should reflect this definition of the Pacific Northwest.
7. The design should include the text "SkillsUSA". The name SkillsUSA must be used and the proper spelling must be as shown (SkillsUSA is one word; accurate use of capitalization is required to represent the brand's standards.) Learn more about SkillsUSA's editorial and graphic style guidelines at <https://brandguide.brandfolder.com/skillsusa-brand-guide/>.
8. The design should include the text "Pacific Northwest".
9. The design should include the current SkillsUSA "year".
10. The design (not including a solid background) may include up to 4 distinct colors, not blended.
11. The Pin design can, but is not required to, have a moving part, a blinking light, or a piece that spins or dangles.
12. The design must be the original concept of the student. Use of the students' own original photos, drawings or digital art is highly recommended. Designs may be constructed of small amounts of Creative Commons licensed material, material in the public domain, or commercial stock images. These materials must be accompanied by proof of license and must provide attribution to credit the originator.
13. The selected design will be no larger than 2" x 2". Very small or intricate detail in your design might not be seen in the finished product.

14. It is okay to use clip art but no trademark or copywrite designs. Designs that violate copyright laws are subject to elimination.
15. Entries should be submitted through the following link: <https://forms.gle/6Lu3gH7Nyroa72seA>
Please make sure to complete the submission by the contest deadline.
16. SkillsUSA retains the right to make modifications to the final design as necessary to produce a to our standards and to the manufacturer's specifications and abilities.
17. Entries received after the deadline will not be considered.
