

# 2024 Washington STEM Signing Day

Presented by Boeing and Powered by Tallo

## About Washington STEM Signing Day

The demand for STEM talent is at an all-time high. STEM Signing Day offers an exclusive chance for students to be celebrated for their achievements and future aspirations. This event provides students with valuable networking opportunities within the state and local community. Fostering these connections will propel students forward in their STEM journey.

## Who can apply?

If you are a high school senior on your way to a college, university, credential program, or technical school to pursue a STEM career, this opportunity is for you!

**Application Deadline: May 5, 2024**
